TECHNICAL DATA SHEET

CLOUD 9 - BUILT DETERGENT

PRODUCT CODE: VSS245

CLOUD 9—BUILT DETERGENT is our two-in-one product. Formula contains builders that raise pH levels, suspending stains into the water and off of the fabric. In addition it prevents stains from re-depositing on to the fabric. VSS245 is free of phosphates, NPE's and is biodegradable.

****NOTE** this product should never be paired with VSS230 Cloud 9—Break; as this product already contains high alkalinity.

DIRECTIONS FOR USE:

This product is caustic and should pump directly from its shipping container into the laundry cycle. VSS representatives will set levels appropriately with water conditions and soil loads.
